Dear Sir/Madam,

Sub: Disclosure pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), we have been made aware today of various newspaper articles that state that our name features in the sanctions list of the United States Department of Treasury.

We have neither been contacted nor informed by the United States Department of Treasury of any such list. However, we are in the process of reaching out to them to gather more information and provide the following clarifications:

- 1) We have been exporting machines to Russia since 2011. Our machines are being sourced by distributors who stock these or further sell. None of our distributors are featured on any sanctions list.
- 2) The news articles stated that we have been sanctioned for supplying Russia with technology and equipment that could be used for military operations. **It must be noted that we are not aware of any machines being used or dealt with any sanctioned entities or individuals.**

Date of occurrence of event/information: October 30, 2024

This is for your information and records.

Thanking You,

**Yours sincerely,
For Lokesh Machines Limited**

**Gurprit Singh
Company Secretary & Compliance Officer**
